"Towards Quality Excellence & Green Building"

CAMBUILD'17 – the Biggest International Building & Construction Industry Show Cambodia will continue to be the No.1 platform for the building, construction, M&E and interior design industry to source for new technology, supplies, solutions and new design trends and ideas. For 2017, the focus will be on the theme: "Towards Quality Excellence & Green Building". This is to meet the demand for property buyers looking for better quality materials and fittings. In addition, the Expo aims to support the Government's initiative in promoting green building.

This focus will create new opportunities for exhibitors as the market moves towards quality and green buildings. Approved construction projects in Cambodia in 2015 grew to an estimated value of USD3.33 billion, a 33 percent year-on-year increase from the previous year, according to the latest report released by the Ministry of Land Management, Urban Planning and Construction (MLMUPC). With the Cambodian economy is expanding at over 7% per annum – one of the fastest in Asia spurred on by the tourism, retail, banking, building and construction and manufacturing sectors, the building and construction sector is set to expand further. In the pipeline are major building projects include residential, offices, industrial and also shopping complexes. At the same time, the Government is investing in improving infrastructure especially its road network, water and sanitation and power sectors.

CAMBUILD'17 which will be its 7th Edition has established as the 'must attend' trade show for developers, architects, building designers, contractors, consultants, engineers, interior architects, building material suppliers and importers. Join more than 400 exhibitors and meet thousands of key decision makers and buyers at CAMBUILD 17.

Benefit from CAMBUILD'17, contact Mr Richard Yew (International sales) at richard@ambtarsus.com or Mr Veasna (Cambodia sales) at veasna@ambtarsus.com to book your booth today.

CAMBUILD TECHNOLOGY SYMPOSIUM 2017 - SETTING THE FUTURE DIRECTION OF THE BUILDING & CONSTRUCTION INDUSTRY IN CAMBODIA

Themed: "Towards Quality Excellence & Green Building"

Top industry experts will be presenting papers at the CAMBUILD TECHNOLOGY SYMPOSIUM 2017 which is held concurrently with CAMBUILD 17. Themed: "Towards Quality Excellence & Green Building", the Symposium will focus on new technology, materials, equipment and processes that will transform this sector by improving productivity, efficiency and quality. More importantly, it is where all aspects of 'Green Building' will be presented from recyclable and non-toxic materials to energy efficient lighting, air-conditioning to sustainable designs. It is where developers, architects, building consultants and contractors will keep updated on these issues.

If you wish to submit a paper at this Symposium, send a synopsis to Ms Fatia fatia@ambtarsus.com or Ms Rineat rineat@ambtarsus.com
